2. Raghavendra Chalageri  
M/s. N. R. Enterprises, Bengaluru
3. Rupesh  
M/s. N. R. Enterprises, Bengaluru

The Chairman of the committee welcomed representatives of N R Enterprises and commenced the meeting.

**1. Clarifications sought and provided**

During the meeting, it was informed by the representatives of the enterprise that in general, they have no reservations on the clauses and technical specifications of the tender document and raised only one point with respect to the delivery period.

The delivery date as per tender document is 25<sup>th</sup> March, 2019 which means that the successful bidder will have only 14 days from the date of award of work for delivery, installation and testing of the system. The representative informed that the components of the equipment have to be imported and therefore minimum of four weeks' time is required for completion of the work from the date of award of work.

As the work is required to be executed on priority and completed before the end of the financial year 2018-19, the Committee expressed its inability to consider extension of the date of completion of the work for four weeks and informed that at best can be stretched upto 30<sup>th</sup> March, 2019.

The date of completion of work in the tender document will be accordingly modified i.e. upto 30<sup>th</sup> March, 2019 and above revision will be notified on the e-procurement portal and ReMS website.

As the enterprise did not raise any other issue, the Chairman thanked all the present and the meeting was concluded.
