1. Background to the invitation

Rashtriya e Market Services Private Limited (ReMS) has been established for creating necessary institutional structure for bringing in efficiency and transparency in the agricultural marketing system in the state for efficient price discovery to benefit farmers and other market participants.

ReMS currently provides an electronic platform for e-tendering / auctioning of farmer produce in the regulated markets of the state. This platform, known as Unified Market Platform (UMP) handles all operations of the regulated market including, e-tendering / auctioning of the produce for efficient price discovery, material accounting, trade fulfillment and online funds settlement.

A critical feature of the reform process is to ensure seamless operations of the entire activity and in pursuit of establishing transparency in the market operations the company has contemplated to minimize the human intervention in the weighing of commodities by recording measurements through an electronic unit customized for the purpose of linking to UMP/Kiosks/TV, etc.

The tender document comprises Instructions to Tenderers (ITT) along with its Annexures. Bidders are requested to go through the Instructions and submit their tenders along with all supporting documents and enclosures as called for in the tender.

Tender documents may be downloaded from the website of the Company or <http://www.eproc.karnataka.gov.in> Requests for tender documents through post/courier will not be entertained.

Any communication in this regard may be addressed to:

3. Instruction to Tenderers (ITT)

Definitions

In this instruction to tenderers (including any recitals, annexures, formats or schedules attached thereto) except where the context otherwise requires, the following words and expressions shall have the following meaning

3.1 “**CCTV system**” shall have the meaning of closed circuit television system used for remote monitoring using cameras.” **BIOMETRIC system**” shall have the meaning of biometric device with finger print authentication attendance system.

3.2 “**Company or ReMS**” shall mean the Rashtriya e Market services Private Limited.

3.3 “**Agreement**” shall mean the contract concluded between the company and the Vendor.

3.4 “**Market**” shall have the meaning ascribed to it in the Karnataka Agricultural Produce Marketing (Regulation and Development) Act, 1966 and includes a market sub-yard, sub-market and a sub-market yard.

3.5 “**Parties**” shall mean the Company and the service provider referred to jointly.

3.6 “**Price Bid**” shall mean the schedule of prices submitted by the Tenderer as described in ITT Clause 13

3.7 “**Selected Tenderer**” shall mean the Tenderer who has been notified that its tender has been accepted.

3.8 “**Vendor**” shall mean the Selected Tenderer who has executed the Agreement pursuant to ITT Clause 33 and who would supply and install the equipment tendered by the Company through this Tender and which term shall include his heirs, executors, administrators and assignees.

3.9 “**Technical Bid**” shall mean the technical bid as described in ITT Clause 12.

3.10 “**Tenderer**” shall mean a person / firm / company / Organization participating in this tender.

4. Qualification criterion for tenderers

4.1. The tenderer shall be a single entity or consortium between the tenderer and any other entity.

4.2. Tenderers not to be ineligible

Tenderer and the consortium partner if any, shall not be under a declaration of ineligibility for any reason whatsoever as issued by the Government of India or any state government or any public sector undertaking of the Government of India and any other state government.

4.3. Experience

The tenderer and consortium partner shall have past experience in supply, installation and maintenance of CCTV & BIOMETRIC system for a minimum period of 2 years. Documentary evidence in support of this experience by way of certificate of successful installation of similar equipment and maintenance, issued by companies of repute shall be furnished.

4.4 The tenderer must have an annual turnover of at least Rs. 1 crore in any of the two years viz FY 2016-17 & FY 2017-18 or average of three years from FY 2015-16 to FY 2017-18.

4.5 Income Tax Returns of the last two years or three years as the case may be, duly certified by a Chartered Accountant with the confirmation that the turnover of Rs. 1 crore in any of the last two years or average of three years in this business, shall be furnished as per Annexure-V.

5. Tender documents

5.1. This tender document includes

- (a) Background to the invitation
- (b) Instructions to Tenderers

6. Clarification regarding tender documents

6.1. Tenderers requiring any clarification regarding tender document may notify ReMS through e-mail address indicated in this document before the pre-bid meeting. The Company will respond to all such queries through e-mail. Queries shall be raised on or before the due date indicated in the tender schedule cited above.

7. Amendments to tender documents

- 7.1. At any time prior to the deadline for submission of tenders, ReMS may, for any reason, whether at its own initiative or in response to a clarification requested by a Tenderer or as a result of the outcome of the pre-bid meeting, modify this tender document through an amendment/corrigendum.
- 7.2. All amendments to the tender document uploaded to website shall be binding on the tenderers.

8. Pre-bid meeting of Tenderers

- 8.1. A pre-bid meeting of Tenderers would be held at the Registered Office of the Company on the date and time as indicated in the tender schedule.
- 8.2. Tenderers may seek clarifications on the tender documents and other relevant matters. They may also suggest amendments to the tender documents. However, the Company has absolute discretion to accept or reject the suggestions made.

9. Period of validity of tenders

- 9.1. Unless declared to the contrary, tender shall remain valid for a period of 30 days after the last date for submission of tender. Any tender valid for a shorter period shall be treated as non-responsive and rejected.
- 9.2. Under exceptional circumstances, ReMS may solicit the consent of the Tenderer for an extension of the bid validity. The request and the responses there to shall be made in writing.
- 9.3. A Tenderer may, by a communication through writing or email accept the request for extension of period of validity. In such a case, the earnest money deposit provided shall also be suitably extended.
- 9.4. A Tenderer accepting the request for extension of period of validity would not be permitted to modify the tender.
- 9.5. A Tenderer may decline to extend the validity of the tender and in such case, its tender would not be evaluated.

9.6. The earnest money deposit of a tenderer declining to extend the validity of the tender would not be liable for forfeiture of earnest money deposit.

10. Earnest money deposit

10.1. The Tenderers shall furnish, as part of the tender earnest money deposit of Rs. 75,000.

10.2. The EMD shall be paid through e-procurement portal only.

10.3. The earnest money deposit of unsuccessful Tenderers will be returned within 30 days after the Selected Tenderer has signed the Contract.

10.4. The earnest money deposit may be forfeited, if the Tenderer,

- (a) withdraws the tender before 30 days after opening the price bid or
- (b) does not accept the correction of errors proposed during preliminary examination of Price Bids.
- (c) In case the selected tenderer fails to convey acceptance of award of work before the time limit prescribed in the letter of intent / Purchase order.

11. Documents establishing conformity of the goods.

11.1. To establish the conformity of the goods and related services, the tenderer shall furnish as part of the tender, documentary evidence that the goods conform to the technical specifications and standard specified.

11.2. This documentary evidence may be in the form of literature, drawings or data and shall consist of a detailed item by item description of the essential technical and performance characteristics of the goods and related services, demonstrating substantial responsiveness of the goods and related services to the technical specification.

12. Technical Bid

12.1. **The tenderers are advised to carefully go through the specifications before furnishing compliance.**

12.2. Except the Price Bid, all other particulars / documents submitted by the Tenderer shall form a part of the Technical Bid. Technical specifications of the tendered items are attached to this tender.

12.3. Without prejudice to the generality of the above, the following shall form a part of the Technical Bid to be submitted by the Tenderer.

- a) Letter of affirmation in format as in Annexure-I.
- b) General information of the Tenderer in format as in Annexure-II.
- c) Compliance to Technical parameters as in Annexure-IV.
- d) Turnover details for the financial years 2016-17 and 2017-18 in Annexure-V.
- e) PAN / GST Registration Numbers in Annexure-VI.
- f) Any other document that the Tenderer desires to submit.

13. Price Bid

13.1. Prices for supply and maintenance of the CCTV & BIOMETRIC systems shall be quoted in the e-procurement portal of Government of Karnataka.

13.2. Tenderers shall quote an all-inclusive price for supply, transportation, testing, commissioning and maintenance of CCTV & BIOMETRIC systems, with breakup of all tax/duties/levies components in the e-procurement portal of Government of Karnataka.

13.3. Under no circumstances the request of the successful tenderer for price variation during the delivery schedule will be entertained.

14. Submission of tenders

14.1. The tenders shall be submitted in the e-procurement portal only.

14.2. The Company may, at its discretion, extend the deadline for submission of tenders by amending last date for submission of the tender document, in which case all rights and obligations of ReMS and Tenderers previously subject to the deadline will thereafter be subject to the deadline as extended.

15. Withdrawal of tenders

15.1. No tender shall be withdrawn in the intervening period between the deadline / extended deadline for submission of tenders and the expiration of the period of validity of the tender specified by the Tenderer in its tender. Withdrawal of a tender during this interval shall result in the forfeiture of the earnest money deposit of the Tenderer.

16. Opening of technical and price bids

- 16.1. Representatives of Tenderers may be present at the time of opening of tenders. They shall sign in the register kept for the purpose of evidencing their attendance. Representatives of tenderers shall produce an authority letter evidencing permission to attend the tender openings both technical bid and price bid.
- 16.2. The Company shall thereafter evaluate the Technical Bids and announce the list of Tenderers which are in conformity with all the technical parameters having been accepted; on the date and time specified in the tender schedule.
- 16.3. After completion of opening and evaluation of technical bids, the price bids will be opened on the date and time specified in the tender schedule. Names of tenderers, prices offered by them will be announced.

17. Evaluation parameters of tenders

- 17.1. A tender shall be deemed to be substantially responsive if the Technical Bid and the Price Bid have been submitted as per the tender clauses.

18. Seeking clarification on received bids

- 18.1. During evaluation of tenders, ReMS may, at its discretion, seek the Tenderer for any clarifications of its tender. The request for clarification and the response shall be in writing and no change in prices or substance of the tender shall be sought, offered are permitted.
- 18.2. To assist in the examination, evaluation, comparison and post-qualification of the tenders, the tenderer may be called for clarification of his tender. In case any clarification submitted by a tenderer in respect his tender changes the substance of the tender, no change in the price shall be considered.

19. Preliminary examination of Price Bids

- 19.1. Conditional tenders or tenders containing conditions not stipulated in this tender document or Amended tender document after Pre-bid meeting, shall be rejected.
- 19.2. ReMS may at its discretion, waive any minor infirmity or non-conformity or irregularity in a tender which does not constitute a material deviation, provided that such a waiver does not prejudice or affect the relative ranking of any other Tenderer.

20. Evaluation of Price Bids

- 20.1. The Tender would be evaluated on the basis of overall cost of both CCTV and BIOMETRIC system and not separately.
- 20.2. After opening of the price bid, the prices quoted by each tenderer inclusive of all taxes & duties and charges for delivery, testing and maintenance are tabulated and evaluated.
- 20.3. Tenderers shall then be ranked on the basis of the evaluated prices.

21. Right to accept any tender or to reject any or all tenders

- 20.1. ReMS reserves the right to accept or reject any tender or to annul the tendering process at any stage without assigning any reasons.
- 20.2. ReMS reserves the right to procure the items from more than one tenderer.
- 20.3. In the event of annulment of the first selected tenderer, the Company reserves right to notify and declare the next lowest Tenderer as the Selected Tenderer or invite fresh tenders.

22. Commencement of supply

- 22.1. The successful tenderer upon receipt of the supply order, shall commence the process of delivery and complete all the activities to the satisfaction of the Company within the delivery schedule.

23. Contacting the Company

- 23.1. No Tenderer shall contact the Company on any matter relating to its tender, from the last date for receipt of completed tender form till the notification of the selected tenderer.
- 23.2. Any effort by a Tenderer to influence the Company in its decisions on tender evaluation, tender comparison or notification of the selected tenderer shall result in rejection of the tender of such Tenderer.

24. Corrupt or Fraudulent Practices

24.1. The Company requires that Tenderers observe the highest standard of ethics at the time of bidding and while providing services to the Company. In pursuance of this policy, for the purposes of this clause,

- (i) “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of an official in the procurement process or in contract execution and
- (ii) “Fraudulent practice” means a misrepresentation of facts in order to influence the procurement process or the execution of a contract to the detriment of ReMS and includes collusive practice among Tenderers (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive ReMS of the benefits of free and open competition.

24.2. The Company may reject the tender of the Lowest Tenderer/any other Tender, if it determines that the Tenderer has engaged in corrupt or fraudulent practices in competing for the contract in question.

24.3. The Company may withdraw the notification of award if it determines that the Selected Tenderer has engaged in corrupt or fraudulent practices in competing for the contract in question.

24.4. The Company may declare a Tenderer ineligible, either indefinitely or for a stated period of time, from being awarded a contract, if it at any time it determines that the Tenderer has engaged in corrupt or fraudulent practices in competing for the contract in question.

25. Dispute resolution and litigations

25.1. Any dispute during the execution of the contract shall be resolved mutually between ReMS and the supplier.

25.2. In the event that any dispute is not settled through mutual discussion/consultation as above, such dispute shall be referred to arbitration under the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification/amendment thereof to a sole arbitrator to be appointed by the Parties through mutual consent or by an order of the High Court. The decision or award given by the sole arbitrator shall be

final and binding on the Parties hereto. Such arbitration shall be conducted in English language. The venue of arbitration shall be Bengaluru and all matters arising out of such arbitration shall be subject to the exclusive jurisdiction of courts in Bengaluru only.

26. Warranty:

26.1 Post supply warranty is an important aspect of the tender. Tender has to quote for competitive prices with warranty of 24 months period.

26.2 During the period of warranty the CCTV & BIOMETRIC system shall function smoothly without any defect. In case of any defect, the supplier shall replace the defective device with a new one immediately after receiving the communication from ReMS or respective APMC's about the non-performance. The replacement shall take place within 5 days from the date of receipt of communication about the defective device.

26.3 The replacement of the defective CCTV & BIOMETRIC system or peripherals shall be free of all cost. The warranty period of 24 months from the date of commissioning of the equipment shall be applicable in respect of the replaced equipment/device from the date of commissioning of the replaced equipment/device.

27. Delivery:

27.1 All the items shall be delivered, tested and installed satisfactorily free of cost at the respective locations indicated in the Annexure-VII within four weeks from the date of issue of supply order.

28. Penalty for late delivery:

28.1 Time is the essence of the tender. The tenderers shall strictly adhere to the delivery schedule. Any delay in the supply, satisfactory test and installation beyond the stipulated delivery schedule will attract penalty at the rate of 2% of the contract value for every week of delay or part thereof subject to a ceiling of 10% of the contract value including taxes.

28.2 In case the selected Tenderer has made partial supplies within the stipulated delivery schedule and failed to deliver the remaining quantity, damages at 10% of the cost of balance quantity not supplied would be levied and recovered from the performance security or from any other payments due.

28.3 During the warranty period, the successful tenderer shall replace the defective CCTV & BIOMETRIC system within five days from the date of communication. Delay in replacement of defective CCTV / BIOMETRIC system with a new CCTV & BIOMETRIC system within the stipulated period mentioned herein would also attract penalty at the rate of 5% of the cost of the defective CCTV/ BIOMETRIC system per week or part thereof.

29. Force Majeure:

29.1 Neither Vendor nor ReMS shall be liable for any delay in or failure of discharging respective obligations under this tender caused by occurrence beyond their control, as the case may be, including but not limited to fires, floods, explosions, power shortage, failure / breakdown of UPS / DG set / computer, acts of GOD, hostility, act of public enemy, wars, insurrections, riots, strikes, lockouts, sabotage. Either parties shall promptly but not later than 10 days of the commencement thereof notify the order in writing of such contingency and prove that such is beyond the control and affects the implementation of this tender conditions adversely and materially. If such contingency continues beyond 30 days both parties, agree to discuss and agree upon an equitable solution.

30. Payment Terms:

30.1 Payment for the supply to the extent of 80% value of invoice will be made within 15 days after receipt of CCTV & BIOMETRIC system in good condition, tested satisfactorily and installed at notified places, accompanied by a certificate issued by the Secretary, APMC concerned for successful commissioning and satisfactory working of the CCTV & BIOMETRIC system.

30.2 The balance 20% value of invoice will be retained as performance security. Security deposit 10% (of invoice value) will be released after expiry of agreed warranty period of 24 months. The remaining security deposit 10% (of invoice value) will be released after successful completion of AMC.

31. Annual Maintenance Contract (AMC):

31.1 AMC for 1 year will commence after expiry of the agreed warranty period of 24 months.

- 31.2 AMC charges will be paid once in every quarter on satisfactory completion of maintenance of the CCTV & BIOMETRIC system based on the certificate by the Secretary, APMC concerned.
- 31.3 During the AMC period, the supplier shall, immediately on receipt of communication about the defective CCTV & BIOMETRIC system or its peripheral, provide a functional spare CCTV & BIOMETRIC system or its peripheral within 5 days from the date of communication, without waiting for repair of the defective CCTV & BIOMETRIC system or its peripheral. In case of delay in providing a functional spare CCTV & BIOMETRIC system or its peripheral, with in the stipulated period of 5 days, penalty at the rate of 5% of the AMC cost of the defective CCTV / BIOMETRIC system per week or part thereof will be levied.
- 31.4 The defective CCTV and or BIOMETRIC system or its peripheral shall be taken back, rectified and returned to respective APMC location at the vendor's cost within 5 days from the date of removal. No charges will be paid for the repair work/replacement of new devices/material or for installation and commissioning or travel and other expenses.
- 31.5 MTTR – Maximum time to repair should not exceed 5 days in this AMC period. In case of delay in repairing the system or providing the functional spare within the stipulated period of 5 days, penalty at the rate of 5% of the AMC cost of the defective CCTV / BIOMETRIC system per week or part thereof will be levied.

32. Technical Specifications:

- 32.1 Technical specifications and compliance parameters are detailed in the Annexure-IV. The CCTV & BIOMETRIC system offered should strictly conform to the specifications prescribed in the Annexure.

33. Agreement:

- 33.1 The selected tenderer shall execute an agreement on court stamp paper as per the format in Annexure – VIII within Seven days from the date of the purchase order.
- 33.2 Failure on the part of the Selected Tenderer to execute the agreement within the stipulated time shall constitute sufficient grounds for the cancellation of the purchase order and forfeiting of the EMD of the selected Tenderer.

33.3 In the event of cancellation of the purchase order, The Company may

(a) notify the next the second lowest or any other tenderer as having been selected as successful tenderer

Or

(b) invite fresh tenders.

34. APMC Location List:

34.1. The CCTV & BIOMETRIC system shall be delivered, installed and tested at the APMCs located in various places in Karnataka State as indicated in Annexure-VII or at any other location/s as directed by the company, free of cost.

34.2 The CCTV & BIOMETRIC system supplied to one location may be transferred to new locations depending on the circumstances and in such cases the successful tenderer shall provide services to these CCTV & BIOMETRIC systems at the new locations without any additional charges (transportation and lodging) to the company.

34.3 All expenses involved in collection, delivery, installation, testing and maintenance of the CCTV & BIOMETRIC system at the respective locations in the Karnataka State shall be borne by the successful tenderer.

2	4 Channel NVR with PoE ports – 1 Qty	4 channel NVR with 4 PoE ports. Supports Upto 2 HDDs. Network speed 80 Mbps. Supports upto 8 Megapixel cameras		
3	2 TB Surveillance HDD – 1 Qty	3.5" surveillance HDD with 2 TB storage		
4	18.5" LCD display – 1 Qty	Wall mountable LCD display Resolution upto 1366 x768		
5	4 U Rack with Power socket – 1Qty	4 U Rack with glass door with lock & key. 3 port Power sockets		
6	UPS – 1 Qty	1 KVA UPS with built-in backup of 1 hour		
7	Installation	Installation of NVR & cameras with necessary cables & conduits		
8	Management software	Management software to be installed in computer for centrally monitoring CCTV systems from registered office of the company in Bengaluru		

2. Compliance to Technical Parameters: BIOMETRIC Attendance system

Sl. No.	Features	Minimum Specifications	Compliance Yes/No	Actual Specification
1	Storage capacity	Fingerprints templates	10000	
		Card Storage	10000	
		Transaction storage	1,00,000	
		Card reader	Inbuilt proximity card reader (Mifare, HID prox)	
		CPU	800 Mhz 32-bit Microprocessor	
2	Biometric	Fingerprint sensor	500 DPI Optical sensors	
		FAR	<=0.0001%	
		FRR	<=1%	
		Identification speed	<0.5 sec	
		Algorithm Ver	10 and abve	

Sl. No.	Features	Minimum Specifications	Compliance Yes/No	Actual Specification
3	Audio/Visual	Display	3" Color TFT	
		Keypad	Yes	
		LED Indicator	Green/Red	
		Schedule Bell/Speaker	Mini Speaker	
4	Communication	Communication	TCP/IP, USB	
		Push data	yes (support both static IP and domain server)	
		Standard features	work code,SMS,DLST, Self-service query, Status Switch	
5	Power & environment	Power Supply	DC 12V: 1.5Amp	
		Operating Temperature	0oC to 45oC	
		Operating Humidity	20% -80%	
		Dimension	210x157x40	
6	Exit Readers	Support exit readers	101 HE , FR 1200, Push Button, KR500, Notouch, KR503	
7	Features	Battery Backup	4-6 hours	
		Card readers	Mifare/HID Prox/HID Iclass	
		Communication	Ethernet and USB	
		Sensor	Mifare/HID Prox/HID Iclass	
8	Compatible Software and SDK		Desktop & web application	
			SDK for desktop applications	
			Web based Device Manager/ePush server using Push data. Helps developers & integrators	
9	Major Applications		Time & Attendance Management

**ANNEXURE – VIII
(Agreement on Rs.100/- Stamp Paper)**

AGREEMENT

THIS AGREEMENT is made on thisth day of 2018 at Bengaluru between **Rashtriya e Market Services Private Limited (CIN No. U01200KA2014PTC073119)**, a Company incorporated under the Companies Act, 1956 and having its registered office at No.16, 2nd floor, Karnataka State Agricultural Marketing Board building, 2nd Raj Bhavan Road, Bengaluru-560001, India (hereinafter referred to as “the Company or ReMS”) which expression shall unless repugnant to the context thereof, include its successors and assigns of the **FIRST PART**;

AND

..... (hereinafter referred to as ‘**Selected Tenderer**’), which expression shall, unless repugnant to the context thereof, include its successors and permitted assigns of the **SECOND PART**;

Both ReMS and the Selected Tenderer shall wherever the context so requires, be referred to individually as ‘Party’ and jointly as ‘Parties’.

WHEREAS

- i. The Company provides an electronic platform for e-tendering and auctioning of farmer produce in the regulated markets of the state, known as Unified Market Platform (UMP), which handles all operations of the regulated market including, e-tendering and auctioning of the produce for efficient price discovery, material accounting, trade fulfillment and online funds settlement and;
- ii. The Company invited bids for providing CCTV & BIOMETRIC systems in selected Markets vide Tender notice No. REMSL/ADM 03-05 dated 03 / 09 2018 and in response the tenderers submitted its bid through procurement portal of Government of Karnataka in accordance with the process and terms of the aforesaid tender document, the party in second part have been declared as the Selected Tenderer.

- iii. In terms of the provisions of the aforesaid tender document the Selected Tenderer is required to enter into an agreement with the Company which the Parties hereby do.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration the receipt and sufficiency whereof hereby acknowledged, the Parties hereto agree as follows:

1. Definitions and interpretation:

1.1 In this Agreement, the following words and expression shall, except where the context otherwise requires, have the following meanings respectively:

- (i) **"Agreement"** shall mean this Agreement together with all its schedules, annexures and amendments from time to time, negotiation proceedings and related correspondences, all form an integral part of this Agreement and shall be of full force and effect as though they were expressly set out in the body of the Agreement.
- (ii) **"Applicable Law"** means all applicable statutes, laws, ordinances, rules and regulations, including but not limited to, any license, permit or other governmental authorization or restriction as in force in India as on the date of this Agreement or thereafter and in each case as amended;
- (iii) **"Market or Markets"** shall have the meaning ascribed to it in the Karnataka Agricultural Produce Marketing (Regulation and Development) Act, 1966 and includes a main market yard, a market sub-yard and a sub-market yard.
- (iv) **"Tender document"** shall mean the tender document No. REMSL/ADM 03-05 dated ../ ../ in response to which the selected tenderer offered their bid and was declared as the Selected Tenderer;

1.2 In this Agreement, unless the context otherwise requires:

- (i) The terms "hereof", "herein", "hereby", "hereto" and any derivative or similar words refer to this entire Agreement;
- (ii) The terms "section" "sub-section" and "schedule" refer to a section, sub-section or schedule of this Agreement;
- (iii) Headings, sub-headings and bold typeface are only for convenience and shall be ignored for the purposes of interpretation;

- (iv) Reference to any legislation or law or to any provision thereof shall include references to any such legislation or law as it may, after the date hereof, from time to time, be amended, supplemented or re-enacted, and any reference to a statutory provision shall include any subordinate legislation made from time to time under that provision;
- (v) Any term or expression used, but not defined herein, shall have the same meaning assigned thereto under Applicable Law;
- (vi) References to the word “include” or “including” shall be construed without limitation;

2. CCTV & BIOETRIC System:

- 2.1. CCTV system means cameras, NVR, PoE switches, UPS, Rack, power points, cables with conduits and related peripherals including but not limited to be listed in technical specification compliance.
- 2.2. Any other peripheral which is essential for the functioning of CCTV system.
- 2.3. BIOMETRIC System means biometric device with finger print authentication attendance system.
- 2.4. Any other peripheral which is essential for the functioning of BIOMETRIC system.

3. Warranty:

- 3.1. Post supply warranty is an important aspect of the tender. Tender has to quote for competitive prices with warranty of 24 months period.
- 3.2. During the period of warranty, the CCTV & BIOMETRIC system shall function smoothly without any defect. In case of any defect, the supplier shall replace the defective device with a new one immediately after receiving the communication from ReMS or respective APMC's about the non-performance. The replacement shall take place within 5 days from the date of receipt of communication about the defective device.
- 3.3. The replacement of the defective CCTV & BIOMETRIC system or peripherals shall be free of all cost. The warranty period of 24 months from the date of commissioning of the equipment shall be applicable in respect of the replaced equipment/device from the date of commissioning of the replaced equipment/device.
- 3.4. MTTR – Maximum time to repair or replacement should not exceed 5 days during the warranty period.

4. Delivery:

- 4.1. All the items shall be delivered, tested and installed satisfactorily free of cost at the respective locations indicated in the Annexure-VII of the tender within four weeks from the date of issue of supply order.

5. Penalty for late delivery:

- 5.1. The selected tenderer shall strictly adhere to the delivery schedule. Any delay in the supply, satisfactory test and installation beyond the stipulated delivery schedule will attract penalty at the rate of 5% of the contract value for every week of delay or part thereof subject to a ceiling of 10% of the contract value including taxes.
- 5.2. In case the selected Tenderer has made partial supplies within stipulated delivery schedule and failed to deliver the remaining quantity, damages at 10% of the cost of balance quantity not supplied would be levied and recovered from the performance security or from any other payments due.
- 5.3. During the warranty period, the successful tenderer shall replace the defective CCTV & BIOMETRIC system or its peripheral within 5 days from the date of communication. Delay in replacement of defective CCTV & BIOMETRIC system or its peripheral with a new CCTV & BIOMETRIC system or its peripheral within the stipulated period mentioned herein would also attract penalty at the rate of 5% of the cost of the CCTV & BIOMETRIC system per week or part thereof.

6. Force Majeure:

- 6.1. Notwithstanding anything contained in this Agreement, neither Party shall be liable for any delay in performing its obligations hereunder if and to the extent that such delay is the result of an event of Force Majeure. For purposes of this Clause, "Force Majeure" means and includes wars, insurrections, revolution, fires, floods, epidemic, quarantine restrictions, declared general strikes in relevant industries, act of God, act of the Government of India and the State Government and such other acts or events beyond the control of the defaulting or delaying Party, intervening after the formation of the Agreement and impeding its reasonable performance.

7. Payment Terms:

- 7.1. Payment for the supply to the extent of 80% value of invoice will be made within 15 days after receipt of all quantities of CCTV & BIOMETRIC system in good condition, tested satisfactorily and installed at notified places, accompanied by a certificate issued by the Secretary, APMC concerned for successful commissioning and satisfactory working of the CCTV & BIOMETRIC system.
- 7.2. The balance 20% value of invoice will be retained as performance security. Security deposit 10% (of invoice value) will be released after expiry of agreed warranty period of 24 months. The remaining security deposit 10% (of invoice value) will be released after successful completion of AMC.

8. Annual Maintenance contract (AMC):

- 8.1. The Annual maintenance contract is for one-year and will commence after expiry of agreed warranty period of 24 months.

- 8.2. AMC charges will be paid once in every quarter on satisfactory completion of maintenance of the CCTV & BIOMETRIC system and certified by the Secretary, APMC concerned.
- 8.3. During the AMC period, the supplier shall, immediately on receipt of communication about the defective CCTV & BIOMETRIC system or its peripheral, provide a functional spare CCTV & BIOMETRIC system or its peripheral within 5 days from the date of communication, without waiting for repair of the defective CCTV & BIOMETRIC system or its peripheral. In case of delay providing a functional spare CCTV & BIOMETRIC system or its peripheral within the stipulated period of 5 days, penalty at the rate of 5% of the cost of AMC per CCTV & BIOMETRIC system per week or part thereof will be levied.
- 8.4. The defective CCTV & BIOMETRIC system or its peripheral shall be taken back, rectified and returned to respective APMC location at the supplier's cost. No charges will be paid for the repair work.
- 8.5. MTTR – Maximum time to repair should not exceed 5 days in this AMC period. In case of delay in repairing the system or providing a functional spare within the stipulated period of 5 days, penalty at the rate of 5% of the cost of AMC per CCTV & BIOMETRIC system per week or part thereof will be levied.

9. Term of Agreement:

- 9.1. The Agreement shall come into force from the date written herein above and the Agreement shall remain in force and binding on the Parties for a period of three years from the date of commissioning of CCTV & BIOMETRIC systems till the date of completion of the Annual Maintenance of the CCTV & BIOMETRIC systems.
- 9.2. The Company may, within three months before the expiry of the above period, at its sole discretion request the selected tenderer for an extension of the term of the Agreement, extend the validity of the said agreement for such period as the company deems necessary under the same terms and conditions and rates.
- 9.3. This Agreement may be terminated during its currency if both the Parties mutually agree in writing to terminate this Agreement.
- 9.4. The Company may, at its sole discretion terminate this Agreement by giving fifteen days' notice in writing to the Selected tenderer in the event of: -
 - (a) Unsatisfactory commissioning or poor quality of service provided by the Selected tenderer, including but not limited to as stated and if the performance of the Selected tenderer is not improved despite ten days' notice in writing by the Company;
 - (b) Failure to complete supply and commissioning of CCTV & BIOMETRIC system within stipulated time;

- (c) Any information as submitted by the Selected tenderer at the time offering its bid in response to the tender document is found to be incorrect or false;
- (d) In the event of causes under (a); (b); (c) above, the Company would prefer damages at 10% of the value of the supply for breach of agreement conditions;
- (e) An event of Force Majeure has occurred and cannot be remedied by either party within a period of 15 days after its occurrence;

9.5. Notwithstanding anything to the contrary contained herein, in the event of breach or default of any of the terms and conditions committed by either party and such breaching Party fails to rectify the breach within 10 days, this Agreement may be terminated by the aggrieved/non-breaching Party by giving a notice of 15 days.

9.6. The expiry or earlier termination, howsoever occasioned, of this Agreement shall not affect any right/s and liability/ies accrued till the date of expiry or such termination.

10. General Covenants:

10.1. This Agreement is on a principal to principal basis and does not create and shall not be deemed to create any employer-employee or a principal-agent relationship between the Company and selected tenderer and/or its personnel/ representatives. The selected tenderer and/or its personnel/representatives shall not be entitled to, by act, word, deed or otherwise make any statement on behalf of the Company or in any manner bind the Company or hold out or represent that the selected tenderer is acting as an agent of the Company.

10.2. Neither Party shall assign or otherwise transfer the Agreement or any of its rights and obligations there under whether in whole or in part without the prior written consent of the other.

10.3. Unless otherwise stated expressly, this Agreement may be modified only by an instrument in writing duly executed by both the Parties.

10.4. No failure on the part of either Party hereto to exercise, and no delay on its part in exercising, any right or remedy under this Agreement will operate as a waiver thereof nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy, and the same shall not affect in any manner the effectiveness of any of the provisions of this Agreement.

10.5. If any term, clause or provision of this Agreement shall be judged to be invalid for any reason whatsoever, such invalidity shall not affect the validity or operation of any other term, clause or provision of this Agreement unless the invalidity of such term, clause or provision of the Agreement is such that it renders the very purpose of this agreement void in which case the entire agreement shall terminate.

10.6. All notices relating to this Agreement will be sent by registered post/speed post or delivered in person to the addresses specified at the beginning of this Agreement or to such other addresses as may be notified in writing by either party to the other. Notices will be deemed to have been received on proof of delivery or 4 days after being sent by registered post if earlier.

11. Disputes:

11.1. The selected tenderer and the Company shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the Agreement.

11.2. All disputes, differences or questions arising out of the Agreement including the interpretation of the terms herein or in regard to the obligations, failure or breach of any terms thereof by any of the parties and/or compensation/damages payable under the Agreement or of any matter whatsoever arising under the agreement which have not been settled, shall be resolved in accordance with the Clause 11.3.

11.3. In the event that any dispute is not settled through mutual discussion/consultation as above, such dispute shall be referred to arbitration under the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification/amendment thereof to a sole arbitrator to be appointed by the Parties through mutual consent or by an order of the High Court. The decision or award given by the sole arbitrator shall be final and binding on the Parties hereto. Such arbitration shall be conducted in English language. The venue of arbitration shall be Bangalore and all matters arising out of such arbitration shall be subject to the exclusive jurisdiction of courts in Bangalore only.

12. Applicable law:

12.1. This Agreement shall be construed and enforced in accordance with the laws of India and both parties agree to submit to the competent courts in Bangalore.

12.2. This Agreement may be executed in two counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. At the trial of any matter arising under this Agreement, only one counterpart need to be produced.

13. Representation:

13.1. The selected tenderer represent that all the information submitted in the bid in response to the Tender Notice are correct and true.

13.2. Each Party represent that it is competent to sign and execute the Agreement through their authorized representative/s.

In witness whereof, the Parties hereto have signed this Agreement through their respective authorized representatives in the presence of witnesses on the date and place as stated first in this Agreement.
